

Three Unified Promise Events

According to the Corporation for National Community Service, 25.3% of Americans volunteer. That means that approximately 75% of Americans don't ever volunteer, not once. We have asked ourselves, "How can we improve the volunteer experience so more people will want to volunteer?" Our Chapter Unified Promise events are one solution to this question. Margaret Mead, an American cultural anthropologist from the 1960's said, "*Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has.*" Make the commitment to volunteer in your community. It will make a difference.

Promise:

I will attend three Unified Promises in a row.

Element of Honor:

Sacrifice

It is an unfortunate reality that the betterment of humanity requires sacrifice. Voluntarily giving away what we cherish, even if for a greater cause, is difficult. I accept that life is not easy. Decisions must be made, and so sacrifices as well.
